I lean on you, Lord, I lean on you, Lord,

For the things that I need I lean on you...

When I don't know just what to do,

I've got the faith you'll see me through

To supply my every need

I lean on You...Ab1Gb1E1Db1

VS1

I've been on the mountain when the sun was shining bright.

And I've been in the valley when the clouds were black as night.

I've been betrayed like Jesus, by a friend who wasn't true,

But in the good times and the bad times, Lord,

I learned to lean on You...

VS2

I've heard the battle raging,

Then I prayed till victory came.

And There's been times I really thought, Lord,

You don't even know my name.

But I've been blessed and I've been down

To where I didn't know what to do

But in the times of joy or sorrow, Lord,

I've learned to lean on you...
