VS1

I'd heard that His grace was amazing

I'd heard of His wonderful peace

I'd heard how His love lifted sinners

Out of their wretched misery...

But I didn't know this Redeemer

I was so lost and hell bound

'Til one day I met Him at Calvary

And there 'neath the cross I found...

CH1

The half hasn't been told;

This world can't contain

Just how good He is, how unworthy I am,

Oh praise His dear name!

All that I'd heard,

All that I know

Doesn't compare or even come close;

The half hasn't been told.

VS2

I just wanted forgiveness

A pardon for all I had done.

I didn't expect all His blessings

Washed clean and made whole was enough...

But He's more than I ever imagined

More precious than silver or gold

Jesus is everything to me

He satisfies my longing soul...

The half hasn't been told.

BRIDGE

So if you are searching for C/Answers...

Unsure of what you should do

Don't wait any longer to trust Him

Jesus is faithful and true...
